STAFF TRAINING DAY - On Monday nearly all staff attended training regarding Trauma informed schools. Held at St. Marys Flint and led by Dr Carol Harper. It was very interesting and informative day, giving tips and strategies on addressing children's mental health. How to cope and help with children who have witnessed sadness in their life.

We had an outdoor activity to highlight how important it is to spend at least 20 minutes outside each day. Green spaces can benefit mental and physical health by improving your mood, reduce feelings of stress or anger and help you take time out to feel more relaxed. The picture is Daisy the Hedgehog, created by Mrs Woods.

CLWB HAPUS - We welcome Esther Dixon to our team, Esther has a wealth of experience in play work. Angela Wilkinson has been promoted to senior play worker. Thank you to Jo Penlington who finished with Clwb Hapus before half term. She did an excellent job helping to get the club up and running.
