March edition  
Rhifyn Mawrth

### Message from Mrs Morris

Dear Families,

As we continue into March, I want to take a moment to celebrate the fantastic achievements of our children and the wonderful support from our school community.

Firstly, a huge well done to everyone involved with World Book Day—everyone looked absolutely fabulous in their costumes, and it was wonderful to see the children's love of reading shine through.

A special thank you also for your support with 'Break the Rules Day'—we raised an amazing £181.50. This money will contribute towards the development of our outdoor learning spaces, providing even more opportunities for hands-on play and learning.

Another exciting event this term was our All Things Welsh Day. The children had great fun taking part in a range of activities that celebrated Welsh culture and heritage. A huge thank you to Mr. Williams for organising such a fantastic day!

Your ongoing support makes such a difference, and we truly appreciate everything you do. As always, please keep an eye on social media for updates and ways to get involved.

Diolch yn fawr!

Mrs Morris

## Looking to the Future...

This term, the incredible sense of community and support has been truly heartwarming. During these challenging times, the kindness and unity shown by our families have been inspiring—thank you.

Whilst we cannot anticipate what will happen in the future, we can reflect on the facts so far:

- The proposal due to be presented to the cabinet has been postponed for the second time, resulting in a delay to the whole process.
- St Anthony's remains committed to providing the very best for our children, as we always have.
- We are excited to welcome our new Reception and Nursery children with planned induction days to ensure a smooth and successful transition into our school community.
- St Anthony's is open for new admissions, and we continue to welcome families into our school.
- It's business as usual—our focus remains on delivering high-quality education and care for every child.
- If the outcome of the consultation is not as hoped, we will work tirelessly to ensure that any transition is extensive, carefully planned and handled with the children's well-being at heart.
- 

If you have any questions or concerns about your child's education, please don't hesitate to speak with us. We are here to support you.

Thank you for your continued trust and support.

# Lower School

## Humanities

### Learning about our world

The class have been enjoying researching different countries around the world and finding interesting facts about them.

The children have been learning about each of the different continents on our planet. Each group was assigned a continent and presented what they had learnt to the rest of the class!

# Mrs Drew's Class

Since our last news page Year 3/4 have been busy. We have enjoyed our theme days including our Welsh Day, St David's Day and World Book Day. During our recent 'Science Week' we took part in live lessons about space, where we looked at what life would be like in space and farming, where we talked about renewable and green energy.

Other highlights include Year 3's are now having ukulele lessons thanks to Theatre Clwyd and the Year 4's are learning to play the recorder with Mrs Drew. In PE the children have been introduced to the game of hockey, a skill we hope to develop in the coming weeks (weather permitting)!

Remember to check 'Seesaw' as we regularly upload pictures of what we are doing.

# MRS GIBBONS CLASS

Next week

- Monday - Class trip to Greenfield Valley Heritage Park
- Friday - Year 5 pupils visit St David's High school.

Easter Bingo Posters.

Our poster design competition winners with their prizes.

Singing with Becky from SRG

Year 6 Bikeability training learning practical skills to ride safely on the roads

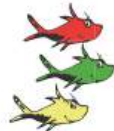

# World Book Day

Lower school had a brilliant time working with pupils in Years 5 and 6. They created posters about their chosen book for this world book day on Adobe.

"The more that you read,  
the more things  
you will know.  
The more that you learn,  
the more places  
you'll go."  
-Dr. Seuss
