Message from Mrs Morris

Dear families,
As we reach the end of the Spring Term, I'd like to take a moment to thank you for your continued support and encouragement. It's been a term full of hard work, growth, and plenty of moments to be proud of. The children have shown great enthusiasm in their learning and have been shining examples of kindness, resilience, and teamwork.

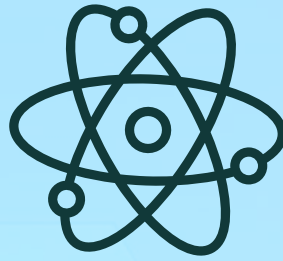

This year, as part of the Jubilee Year: Pilgrims of Hope, we've been encouraging the children to think about what it means to journey with hope—both in their learning and in how they treat others. As we approach Easter, this message feels especially relevant. Easter is a time of new beginnings and renewed hope, and we've been reflecting on how small acts of kindness and positivity can make a real difference in the world around us.

I hope the Easter break gives your family time to rest, reflect, and enjoy being together. We look forward to welcoming everyone back after the holidays, ready for a bright and exciting Summer Term.
Have a lovely Easter

*Pasg
Hapus.
Happy
Easter.*

Lower School

Science

We have been doing some fun experiments in class during the Spring term. This was probably our class favourite. We were mixing different solutes with warm water. We were fascinated by what was happening to each of the solutes. Some disappeared, some changed the colour of the water and some had no effect on the water.

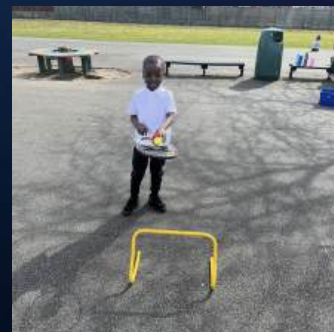

Maths

We have been really enjoying our latest unit of maths on volume and capacity. We have been outside predicting and testing out which out of two different objects weigh more.

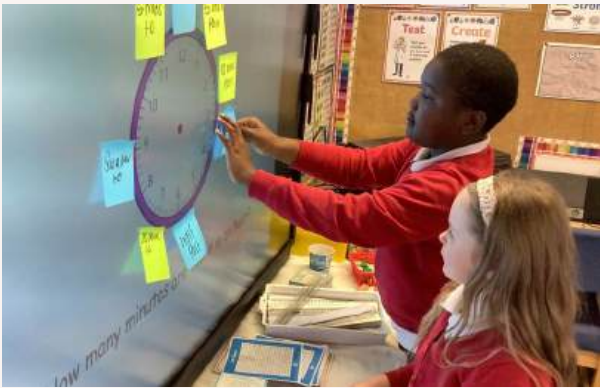

Tennis

In this latest half term, we have been practising and improving our tennis skills. The class have done amazingly well and there are definitely some talented players in our class!

Mrs Drew's Class

Year 3/4 have had a very busy end to our Spring Term. Amongst all the activities we have done we have investigated, researched and carried out activities such as:

- Easter focusing on the events of Holy Week in RE
- Time in Maths
- Changing states of matter in Science
- Romans Gods and what they did for entertainment/sport
- Diary entries in Literacy
- Took part in role play activities as part of our 'being a first aid hero' topic
- Food around the world in Welsh

Enjoy your Easter break and remember to check 'Seesaw' as we regularly upload pictures of what we are doing.

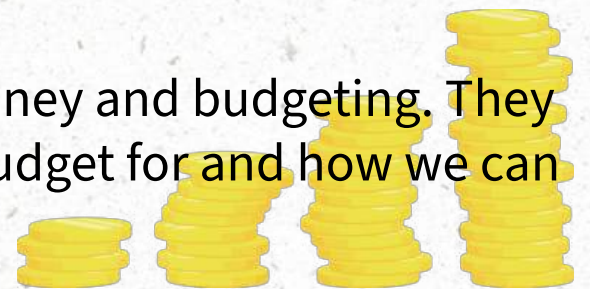

MRS GIBBONS CLASS

Budgeting

Maths/ Mathemateg

Children have been learning about the value of money and budgeting. They have been looking at different things we have to budget for and how we can budget our money.

Pasg Hapus/ Happy Easter

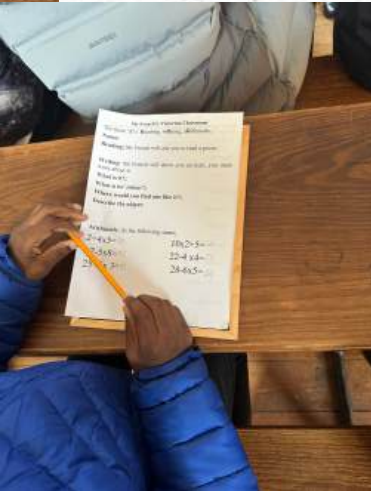

Easter Cakes.

The children made Easter cakes on Tuesday. Hopefully they enjoyed eating them as much as they enjoyed making them!

MRS GIBBONS CLASS

Greenfield Valley

Years 5 and 6 enjoyed their trip to Greenfield Valley Heritage Park at the end of March. They experienced a living history tour from 'Mr Parry' who showed children what life was like in a Victorian School.

St David's High School

The Year 5 children had another fun day at St David's High School on a Maths area of learning day. They enjoyed different Maths activities including origami, a murder mystery and Maths golf. They all behaved well and made the most of the opportunity. Da iawn pawb.

Forest school

We are sorry there was no Forest school today. Mrs Drews class will continue after the Easter break.

Messages and Reminders

Mass times and places over Easter.

The Easter Triduum will be shared between Sacred Heart Catholic Church Hawarden and St Anthony's Catholic Church Saltney.

- Maunday Thursday Mass of the Last Supper - Hawarden at 7pm.
- Good Friday - The Passion of the Lord, Saltney 3pm.
- Holy Saturday - Easter Vigil - Mass of the Resurrection, Hawarden at 9pm.
- Easter Sunday Mass 11am - St Anthony's Saltney

When we return after the Easter break we will be on week 2 of the dinner menu.

Congratulations

Flintshire School Boys.
Well done to Elijah (Yr 6) who, along with his team, won the Flintshire School Boys 2025 Championships in Cardiff. An amazing achievement.

Easter disco

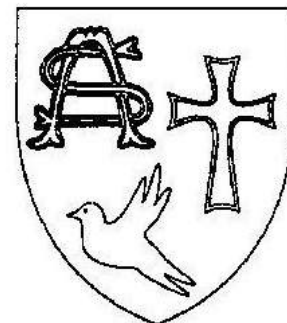

We are so sorry that we had to postpone the Easter disco. We will be in touch after the break to let you know when we can rearrange. Thank you all for your understanding.

We regularly update our Facebook, Seesaw and the school website with pictures and information.

Staff Training day Monday 28th April.
School re-opens for children on Tuesday April 29th.

Contact Information

If your child is absent, please let us know via email, phone or the school webiste.
