PC LEE WOODWORTH - On Tuesday PC Lee came in to Mrs Drew's class. He talked to the children about choices. The children took an interest, asking sensible questions. They showed a very grown up attitude to all themes discussed.

Please can parents make sure all their child's belongings are clearly labelled. The nicer weather is creeping in and children are removing jumpers/cardigans etc, it is becoming increasingly difficult to match them to the owner.

NEWYDD/WOODLAND TRUST -
For taking part in St David day we were randomly selected to win a Woodland Trust starter pack which provided 30 trees to plant around our school! These arrived today and we can't wait to get planting!

Our Active Journeys officer Hannah, will be coming in to talk to the children on Monday 21st March, on Tuesday 22nd March she will be delivering a scooter skills session to all children. Therefore, all children will need to bring in their scooters. As some children may not have one, if you have spare we would be very grateful if we could use it for the day.

During the last week before we break up for half term we will be having a Dr Bike Day in school where children can bring their bikes and scooters to school for a free 'health' check. We will let you know the date when we have had it confirmed.

FOUNDATION PHASE MOTHER'S DAY PRIZE DRAW

We are planning a Mother's Day prize draw and we are asking for cash donations. Every child that brings in a donation will be entered into the prize draw to win their Mum a lovely Mother's Day gift.
