Dear Parents

Due to the current pandemic we are in at present, and the need to reduce footfall in the school, we will be conducting a settling in phone call to parents the week beginning 2nd November 2020.

The phone calls will be no more than 5 minutes for each child. This will enable teachers to contact all the parents in their class.

We understand that parents have other commitments, therefore, have given you a choice of times to select.

Please complete the survey, via School spider, for your child's class to inform us if you would like a phone call.

Please note we can not give you an exact time on this occasion.
