### **Shoe box appeal 2022**

Dear Parents/Guardians,

We have decided to take part in the shoebox appeal again this year, we feel that last year was a great success. Teams4u, the organisation responsible for collecting and distributing the shoeboxes will be sending shoeboxes to the areas of Ukraine where they have been working this year, as well as to those who have fled over the border into Romania and Moldova.

Please see the list below for items you can send in for our shoe box collection. We would also welcome donations of shoeboxes that are in good condition.

You can, if you wish, still do your own shoes boxes at home. Please get in touch with us if you need a leaflet and labels.
